Hi [REDACTED]

Thanks for the instructions - these are great and we are planning to update XRP Portal with these steps on Wednesday, 18 January (our Design team needs an extra day to publish).

In addition, I wanted to share our comms plans and confirm timing with you.  
What time can we go live with the communication?

1. Update our current Ripple Insights article: Bitstamp Now Trading XRP <<https://ripple.com/insights/bitstamp-now-trading-xrp/>> to reflect that it is available. We will also highlight your participation in the XRP Incentive Program and reduced fee schedule, including 0% until Feb 10, 2017.
2. Send an email to our Ripple Insights and XRP Portal subscribers (via our newsletter).
3. Promote via Ripple's Twitter, Reddit, Facebook and LinkedIn (XRP Chat will pick it up immediately). Note: we will re-promote any of your social promotion as well.
4. Create new 'How to Buy XRP on Bitstamp' page on XRP Portal (18 Jan)

I believe you are sending an email to your users, which is fantastic. Are there other opportunities for us to promote on your Web site (the fees in particular?).

Many thanks,
